## Patient-Centered Medical Home Recognition (PCMH)\*

The NCQA Patient-Centered Medical Home (PCMH) standards emphasize the use of systematic, patient-centered, coordinated care that supports access, communication and patient involvement. To earn the NCQA PCMH recognition, our medical centers have demonstrated a commitment to continuous quality improvement and a patient-centered approach to delivering high-quality care.

The National Committee for Quality Assurance (NCQA) is a private, nonprofit organization dedicated to improving health care quality.
